

Action Alert #6: Your Thoughts About Supported Decision Making Need to be Heard!

Please email info@fhfacadiana.org to let us know you've taken the action in the alert!

[HB361](#) by Representative Paula Davis, if passed, would enact the Supported Decision Making Agreements Act and provide individuals with the least restrictive alternative to interdiction. With Supported Decision Making, adults with disabilities are supported and encouraged to make their own decisions about their finances, living situation, relationships, their health and the services and supports they receive.

HB361 is scheduled to be heard in the Senate Judiciary A committee on [Wednesday, May 27th, at 8:00 AM](#). For more information, check out the [National Resource Center for Supported Decision Making](#).
